Savoir Beds headboard styles

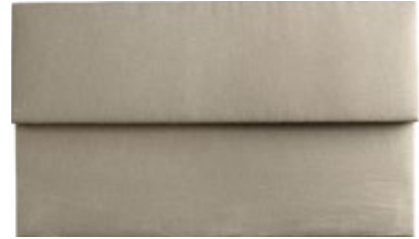

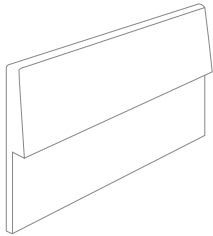

Our collection of contemporary headboards and frames includes elegant detailing options such as piping, stitchwork, buttons and panels. No two Savoir beds are the same, and we embrace the challenge of creating something totally original.

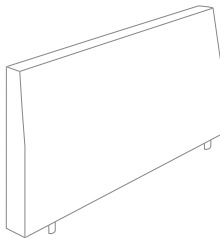

Savoir headboards are horse hair filled and can be upholstered in a wide range of fabrics, including leather, faux suede, linen and silk.

Notes:

CF versions are also supplied with additional leg supports. CF versions will increase the overall length of the bed which should be considered where space is at a premium.

This document shows a selection of our standard headboard designs, however as Savoir Beds is a bespoke brand any shape, size and design of headboard can be created.
